

## BIBLE READING PLAN.

### Bible in a Year: 365-Day Reading Plan

Regular Bible reading is one of the most important habits you can develop. It is Time that you spend with God and builds your faith and helps you be disciplined in your walk with God.

Bible reading has a positive influence on your brain and patterns and fluids that will help you have healthy thoughts.

Just as you make appointments with colleagues or must be at work at a certain time, so we must have a certain time of the day that we make an appointment with our Father in heaven for prayer and Bible reading. Choose a time in morning such as 05h00 before everyone is awake and when you have quite time to focus. Or choose a time at night when all the kids are put to sleep and make that your special time with God. Many times, people beg for breakthrough in their lives but there is no seed of time that was spent with God. This is your seed for your breakthrough.

Statistics show that most people professing faith in Christ Yeshua have never completely read their Bible. Many people start reading the Bible but then become overwhelmed by the number of chapters (1,189) and verses (31,102) there are. Or they don't know where to start. What we don't realize is that we can read the Bible in a year by reading fewer than four chapters a day.

Soldiers 4 Christ Ministry has a Bible reading plan that will give you all the benefits of a steady diet of God's Word as you read through Scripture in a year. In this plan, the whole Bible is arranged into 365 daily readings, including an Old Testament passage, a New Testament passage, and a Psalm or Proverb for each day.

You can even spread it by reading Mondays to Fridays and then you should finish the whole Bible in 1 Year and 3 months. Wow, what wonderful opportunity. You don't have to wait for the new year, you can start today.
